NZGM update

HHHi all. Welcome to update #4.

This is a shorter than usual update, largely driven by the news around Interhash 2022 and 2024.

Interhash 2022 & 2024

By now you've most likely seen the sad news that the Interhash that was planned in Trinidad & Tobago for April 2022 was cancelled on 18 March due to the complexity of Covid. Such a shame, and heart-breaking for the committee who had worked tirelessly for over 4 years to make IH 2022 a successful event.

At that time there were a few potential bidders for IH 2024 including Turkey, Goa and New Zealand. Since then, the Interhash Council has been working with bidders to work through event options. Part of the process includes ensuring a complete and supported proposal is submitted at least 6 months before the next planned Interhash. The outcome that has been announced is that Goa will host an Interhash event 4-6 November 2022. And **New Zealand will host Interhash in Queenstown in 2024.**

This outcome was somewhat of a surprise, so the ask from both Goa and NZ organising committees is that this is still 'new news', and there's a fair bit to be done, so please be patient as they get websites etc sorted.

A couple of related links are below so you can read up about the events and start thinking about what you might like to attend - but as above, please be patient and give the committees some time. By all accounts the Goa website should be live in about a week.

[Order form](#) to get your Trinidad & Tobago goodie bags sent out (for those with a rego). The ask from T&T is you coordinate with others to enable them to bulk ship as much as possible to a singular address. Bluevain has offered to coordinate this for NZ. If interested, check out the post on NZH3 On On Facebook page for details, note there will be a cost involved.

Interhash 2024 Committee

Now is the time for Kiwi hashers to pull together and make IH 2024 great! There's a base committee in place already, but if you've got relevant experience, are keen to be involved and time to commit (it is a committee after all!), then let Bluevain know. Email nzinterhash@xtra.co.nz

Nash Hash 2023

a while ago. But, it's still over a year away and spaces may open up. If you want to add your name to the waitlist, email your rego through to the organisers (but don't send any money). Nash Hash Facebook page below has the info:

Nzhhh.nz and NZH3 On On Facebook pages

There are some great NZ resources available to help promote clubs and H3 events. Check that your club's details are up to date on www.nzhhh.nz – make sure your club is listed, and that the dates, times, contact details, upcoming events and web links etc are all current. Let Deep Throat know of any updates by contacting him on alan.seerup@gmail.com. Remember to leverage the NZH3 On On Facebook page – it is there for clubs to use and to promote upcoming H3 events. <https://www.facebook.com/groups/1788686777932384/>

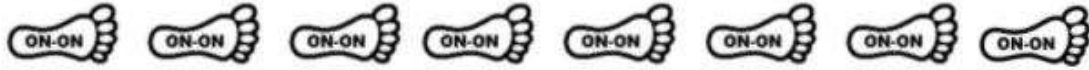

Upcoming events

As well as Goa 2022, NZ Nash Hash 2023 and Interhash 2024 there are a few other events to check out.

Find out more about these and other events by checking www.nzhhh.nz, the NZH3 On On Facebook page, or contact the relevant hash club.
